

# HOEWISCHER FARMS

FIRST  
PRODUCTION SALE  
MONDAY, NOVEMBER 1, 1965

SIDNEY, OHIO

**On the front cover . . .**

A portion of the cow herd at Hoewischer Farm. This scene appeared on the cover of the September 15, 1965, issue of The Shorthorn World.

**The Hoewischer operation is a family enterprise. Above we see Billy Hoewischer leading the champion and top-selling female through the ring at Ohio State in 1953. Billy is now a senior in high school and is continuing his active participation in the Hoewischer herd.**

**THE FIRST  
HOEWISCHER PRODUCTION  
SALE  
at the farm  
SIDNEY, OHIO**

**8 BULLS**

**53 FEMALES**

**MONDAY, NOVEMBER 1, 1965**

## GENERAL SALE INFORMATION

**LOCATION**—This sale will be held at Hoewischer Farms, Sidney, Ohio. The farm is located two miles northwest of Sidney on Ohio Route 29. Sidney is located 34 miles south of Lima and 42 miles north of Dayton and is located on Interstate 75.

The sale will start promptly at 12 noon E.S.T., Monday November 1, 1965.

**TRANSPORTATION**—Dayton, Ohio is served by major airlines and we will be glad to meet breeders and furnish transportation to the farm. Also, Columbus, Ohio is served by every major airline and we will be happy to pick up anyone if advance notice is given. There are also excellent train connections into Dayton, Springfield or Columbus.

**TERMS**—The terms of the sale are cash unless other arrangements are made with the owner before the sale commences. Settlements should be made with the clerk at the conclusion of the sale. All stock will be at buyer's risk as soon as bid off but we will assist in loading in compliance with instructions from the purchaser.

**HEALTH**—The cattle will be sold under the health laws of the State of Ohio. Proper tests will be made and health certificates will be available at the sale. Calfhood vaccination for Brucellosis has been practiced at Hoewischer Farm. Since all sales are final as soon as bid off, out-of-state buyers should be aware of any deviations of their state health laws from Ohio.

**GUARANTEE**—All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerks and the sale manager have been employed by Hoewischer Farm for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accident that may occur. Hoewischer Farm will make every effort to provide for the comfort and safety of those attending the sale, but cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk.

**FOOTNOTES**—The footnotes in this catalog were written by the owner of Hoewischer Farm and were correct at the time of printing. However, announcement sale day will take precedent over material printed in this catalog.

**LUNCH**—Will be available at the sale.

**SALE HEADQUARTERS**—The Shelby House Motel, Sidney, Ohio, located at the junction of Interstate 75 and Route 29 has been designated as sale headquarters for this sale. You may write them direct for reservations or you may contact the sale manager, or Bill Hoewischer, and we will be happy to make reservations for you.

**MAIL BIDS**—Those wishing to buy at this sale who cannot be present may send their bids to the following qualified personnel, all of whom will be in attendance: Joe Gossard, Drovers Journal, Union Stock Yards, Chicago, Ill.; C. D. Swaffar, American Shorthorn Assn., 8288 Hascall St., Omaha, Neb.; Don Longley, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Also the sale manager, Gene McDonald, 16 S. Locust St., Aurora, Ill. or the auctioneer Merlin Woodruff, Urbana, Ohio.

**TELEPHONE**: Those wishing to reach any of the personnel working on the sale may do so by phoning HY2-3967, Area Code 815. This is the phone at the Hoewischer residence.

The Hoewischer Shorthorns have always been exhibited at county, district and state fairs and have often been led into the ring at the greatest show of them all, the International at Chicago. Above we see a typical Hoewischer string attractively displayed, making friends for Shorthorns throughout the country.

### W E L C O M E

We cordially invite you to be with us at the farm Monday, November 1, for our first production sale.

It is our hope that this offering might serve as a tribute to my father who left us some two years ago. He had a great part developing the herd and for years wanted to have a production sale.

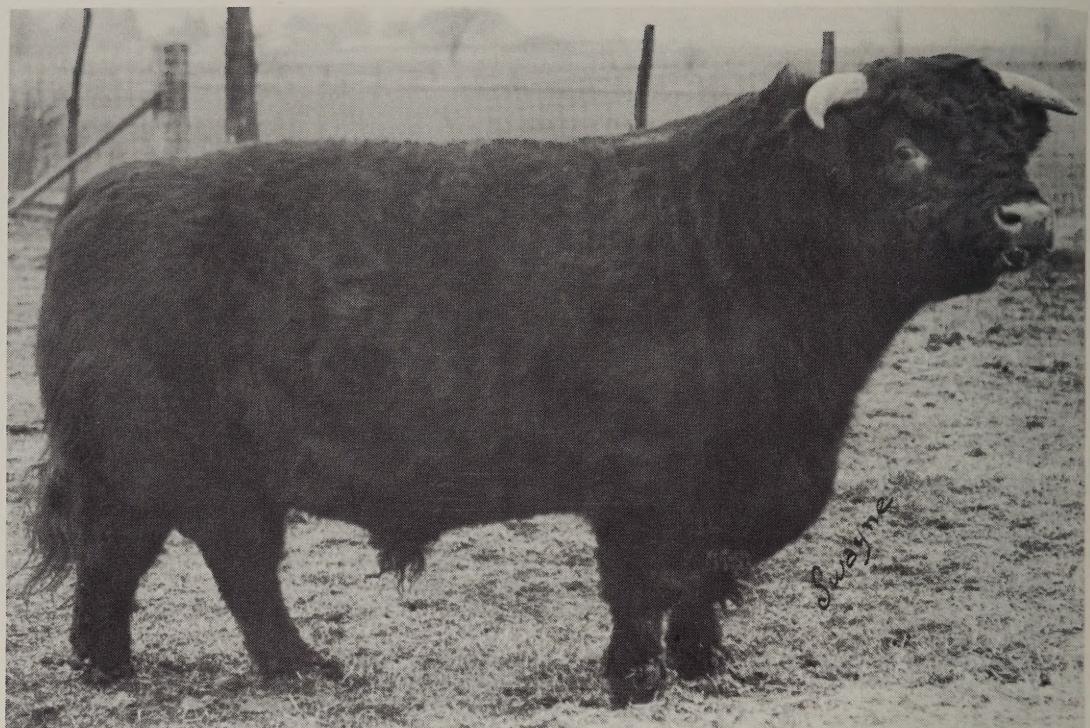

I have always been grateful for my family heritage in the purebred field and am thankful for the guidance and association of my father in this fascinating and challenging endeavor.

Our confidence in the offering grows each day as we see them develop individually and as we see calves by the service sires. Nearly every heifer of saleable age produced in the last two years is being offered. We have held back none for replacement in order to make this a top offering.

We have built the herd with good bulls and an occasional top female coupled with practical breeding management. Your appraisal of the offering will be evidence of the soundness of our approach.

Our family hopes that you will honor us with your presence November 1.

William J. Hoewischer

**Shore Acres Dunrel.** No history or sale catalog for Hoewischer Farm would be complete without including this great sire and talking a bit about his performance in the Hoewischer herd. Purchased at the top of an International Congress sale, he worked for many years in this herd leaving many outstanding daughters. His get won impressively in the strongest shows in the land and were champions and top-sellers of just about every sale they were consigned to. You will note that many of his daughters are still in the herd and are the dams of several of the sale offering.

### **HISTORY OF HOEWISCHER HERD —**

The Hoewischer name has been associated with purebred livestock for most of the 20th century. Their entry into the purebred field was first with draft horses and more particularly, Belgians. Several importations were made over the years, sales were held, and they showed extensively. Two thrilling moments of my life were when my father returned home from Belgium with a load of horses in 1936, and in 1941, when I took part in fitting and showing our Belgians at Ohio and Indiana State Fairs, National Belgian Show, Waterloo, Iowa, American Royal, Kansas City, and the International at Chicago. We garnered several championships and earned the Premier Breeder and Exhibitor Awards at the National Belgian Show.

However, as the draft horse business waned, we began to give more attention to our herd of Shorthorns which had always been secondary. The year 1946 found us making our first showing of Shorthorns at the Ohio State Fair. It was a good beginning for our young herd sire, Rothes Royal, was reserve grand champion under the shrewd eyes of Les Mathers. This sparked our interest and our herd has grown in size and quality until today we maintain a herd of 65 to 75 cows.

## A MESSAGE FROM THE SALE MANAGER—

The Hoewischer name has been associated with purebred livestock for many, many years. From a beginning in the draft horse business, where they learned the essentials of soundness and correctness and the importance of good bloodlines, to their present day position as one of the leading Shorthorn breeders of this country, they have always strived to produce the very best. Their cattle have been exhibited in the strongest shows not only to prove their merit but to give the owners a first-hand look at how their productions were stacking up against those of other breeders.

This has been a family operation from the very beginning. Harvey Hoewischer, the founder, took an active part in the enterprise and encouraged his son, Bill, to do likewise. This has followed into the next generation and Bill's son, Billy, and his daughter, Jeanne, have participated actively in the breeding, feeding and promotion of Hoewischer Shorthorns. Show day at any fair where they are exhibiting will demonstrate this better than anything I can say. You will see the whole family working hard to get Hoewischer productions to the top.

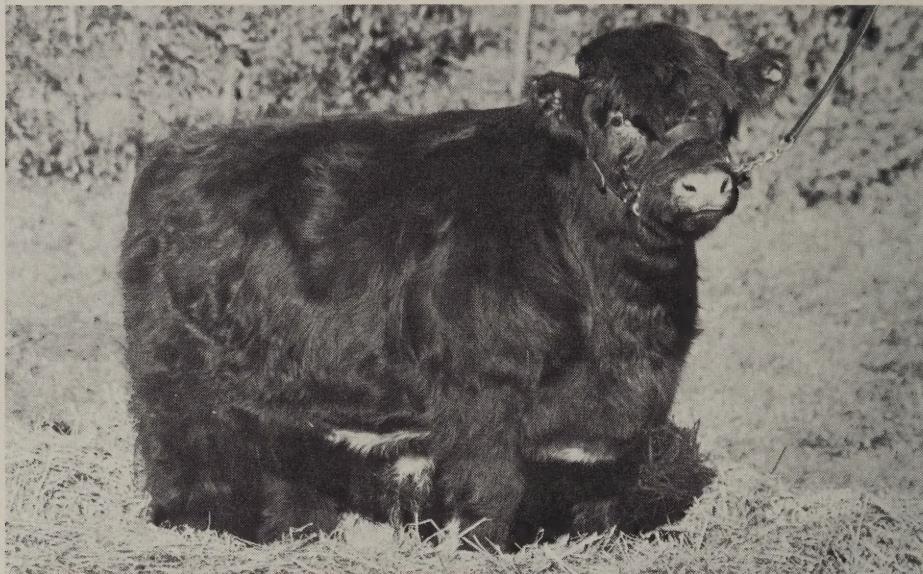

This sale offering is the first production sale from this great herd. As you study the catalog I hope you will notice the influence of the bulls that have been used in this herd. In every case you will note that many daughters have been retained and today are still actively working. This means that the bulls selected were outstanding individuals that passed on to their offspring their prepotency.

You will note that the two most recent Hoewischer sires, Scotsdale Mastrepiece, who has 22 daughters in this sale, and U K Lodestar 128, who has 24 daughters in this sale, will make up the majority of the sale offering. However, you will also see that these females are out of daughters of bulls such as Shore Acres Dunrel, Kair Monarch and Willow Lee Wonder 17th.

It is indeed an honor for me to be working on this first sale with Bill and his family. After studying the cow herd and sale cattle I can assure you that nothing has been spared. Every female of salable age on the farm is included in this offering. I hope you will be at the sale to appraise this offering. I am sure you will be satisfied with them.

GENE McDONALD, Sale Manager

# RECENT HERD BULLS THAT

**SCOTSDALE MASTERPIECE**

**SCOTSDALE MASTERPIECE** — The selection of a new herd sire is always a great challenge and how well we meet that challenge determines our rate of progress.

Masterpiece, as a calf, was reserve junior champion at the Royal Winter Fair and was fourth at Chicago in one of the greatest senior bull calf classes. He had a stock bull look and he proved to be one. His sire was an International reserve champion and his mother was a great daughter of the noted Calrossie Welcome. With this background how could he miss?

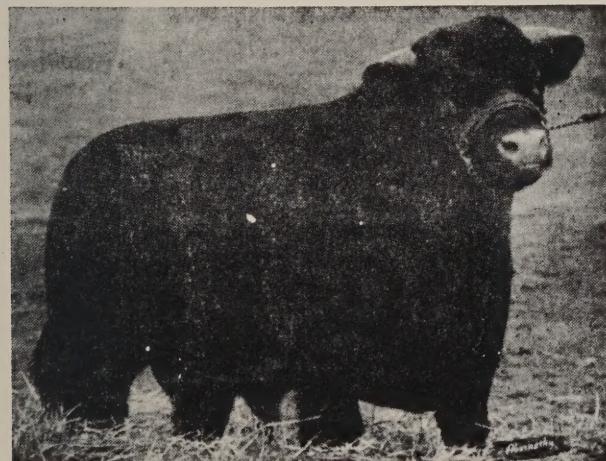

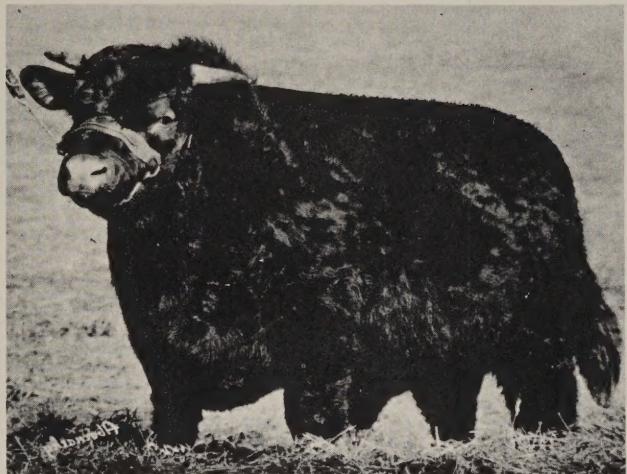

He has consistently sired bulls and females that worked improvement in the herds to which they sold. One of his sons was reserve All-American and one of his first daughters sold in the International sale for \$1,150. Consignments to our Ohio sales by him have always rated well. We think you'll like his sons and daughters in this sale.

This last winter we sold him to Robert and Jay Benham where he can continue to work for the breed.

# INFLUENCE THIS OFFERING

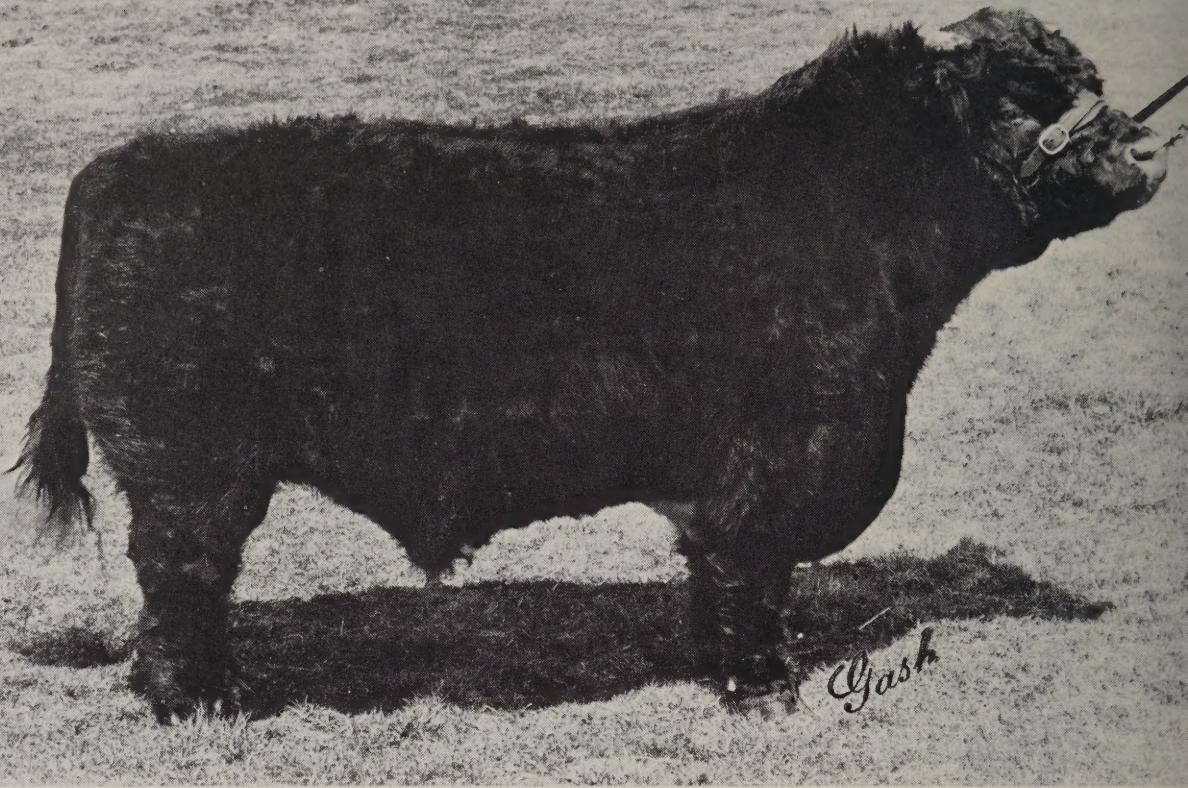

## Willow Lee Wonder 17th

— It was a lucky day when Dr. House and Verne Benroth agreed to trade an interest in the 17th for an interest in Shore Acres Dunrel. We kept every female he sirred for us, and they have been real producers. Talk to anyone with a 17th daughter and they will have a good word to say for her. Herman Purdy recognized the strength of Wonder blood and has set new records through its influence.

**Kair Monarch** — This was a bull Martin Katter and my father selected at Leveldale and purchased privately for \$3,500. He was a bull with a lot of size and perhaps would

be more popular today than he was then. The daughters we saved have been good producers. You'll note some of the good females have Kair Monarch in their pedigrees.

**Almahurst Myrtle 2nd,  
the dam of  
U K Lodestar 128.  
This daughter of  
Beaufort Bulldozer  
was the top-selling  
female of an Edellyn  
Farms sale at \$6,000.  
In addition to  
the "128th" she has  
produced U K Monarch,  
the champion of the  
1965 International  
Congress sale.**

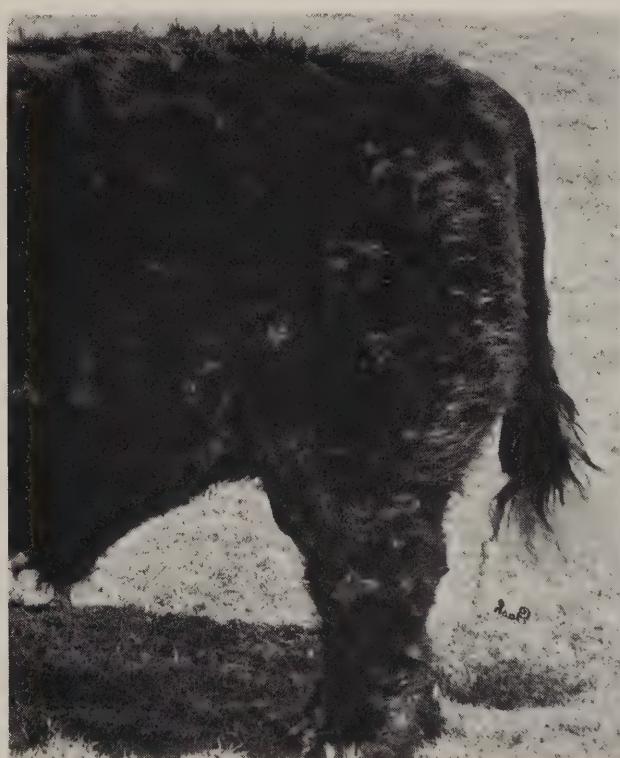

**UK LODESTAR 128**—We purchased Lodestar to use on the daughters of Scotsdale Masterpiece and add a little more size. This has been done.

When we first saw him at the University of Kentucky, we were impressed with his smoothness and ruggedness of bone. Then when we saw his mother, who was a \$6,000 top daughter of Beaufort Bulldozer, along with her daughter, we gained confidence that this bull could do a job for us. He sold in the Kentucky Futurity Sale and was the champion and top-selling bull at \$1,775. This year he sired two class winners at the Tennessee National and two winners in the Kentucky Futurity.

He has done a great job for us and we hope you will appreciate his sons and daughters in this sale.

It is natural to expect a lot from a bull whose sire was an International champion and whose mother was by Beaufort Bulldozer, sire of two International champions in one year.

Kickapoo Blythesome 2d Red, Stanley G. Harris	Donorah Blythesome Red, Albert Jas. Marshall

The first three calves by Gallant Napoleon to be shown anywhere included the first-prize junior heifer calf at the 1965 Ohio State Fair, and third heifer in that class. Both of these females sell in this sale. A bull calf was second in the junior bull calf class at this show and combined they were second in the junior get-of-sire class. A great beginning for a young sire that is destined for greatness.

**GALLANT NAPOLEON** — Once a while a person is lucky. This one we lucked in dam. He was a great little calf and then came into his own as a Senior Yearling when he was Senior Champion at the 1964 Ohio State Fair. He continued to grow and improve until now he looks like a real stock bull. He has size and weight where you want it. He is extremely heavily muscled and has a tremendous rear quarter. He weighed 1,810 at 30 months of age.

We are very excited about his first calves and anxiously await your approval.

At the right is the first bull calf by Gallant Napoleon. We think he illustrates the beefiness and character that Napoleon is siring in all his calves.

**Tutira Paragon is shown above winning the reserve grand championship of the 1964 Eastern National Livestock Exhibiton.**

Tolquhon Princess Ellen  
Red, John L. Sleigh

**TUTIRA PARAGON**—Les Mathers once said, "Buy a herd bull when you see him." I was judging a county fair last year and when this bull walked in I was so impressed that I went back and sat on the show box with Lee Johnson until I bought an interest in him. Of course, I had seen him the year before when he won at the 1963 International. As a two-year-old he was reserve grand champion at the 1964 Eastern National at Baltimore.

He is sound on his feet and legs and walks like a stock bull. Few bulls are smoother. We have received many compliments on him from good cattlemen, and we anxiously await more calves by him. His first three calves shown were first, second and fourth at the state show for Lee Johnson.

The blood of Bapton Constructor has gained world fame for its powerful influence on the breed. Since Tutira Paragon is by Constructor and out of one of the few AAA cows in Canada, he should add new blood of distinction to our herd.

Saltoun Princess Margaret 4th  
Red, Exec. of A. M. T. Fletcher

**S M CONQUEST**—Another young bull fed in a group and carrying a minimum of fit but he is just right to go on for you. His dam is a good daughter of Willow Lee Conquest and out of our old imported Saltoun Princess Margaret 5th. Sons and daughters of Masterpiece have made many satisfied customers, and the cross on the Wonder blood has been exceptional.

**There are 53 females selling in this sale —**  
**24 daughters of U K Lodestar 128, and 22 daughters**  
**of Scotsdale Masterpiece; one by Calrossie Diadem; three**  
**by Gallant Napoleon; two by Willow Lee Conquest, and one**  
**by Louada Regalia. They are from families that have been in this herd**  
**for many years. They are proved in the show ring, sale ring and in**  
**Hoewischer Farm's customers herds. They will work improvement for you.**

**LODESTAR BEAUTY**, Lot 9, and **S M AUGUSTA CRISSIE** 6th, Lot 28.  
Two of the beautiful heifers selling in this sale. Lodestar Beauty  
was the 4-H grand champion and winning senior calf, 1964 Ohio  
State Fair.

**Lot 9**

**Female**

**LODESTAR BEAUTY 3191-784**

**LODESTAR BEAUTY**—Our daughter Jean picked this heifer as a calf for her 4-H Club project and has been very successful with her. She was the champion of the Junior Fair and the 1964 County and State Fair and won the open class. This year she was again champion at the County Fair. She is a beautiful headed heifer with the smoothness and thickness of a great one. She moves freely on a sound set of feet and legs with a style of her own. To add to this, she carries the service of Gallant Napoleon since April 20. We call her one of our greatest.

**BILMAR PRINCESS 2nd, Lot 10, below.** She was purchased at the side of her dam in the 1964 Bilmar sale, and is one of the few daughters of Calrossie Diadem that will ever be offered for sale anywhere.

**Lot 10**

**BILMAR PRINCESS 2ND**—Certainly it was a tough decision to include this heifer in our sale. We purchased her with her dam in the Bilmar Sale last year for \$1,150. At that time I thought she was a good prospect, and today she has fulfilled that expectation. She is feminine-headed, lowset and deep-quartered, with a rich red color. The record of her kinfolk is fantastic. The supply available for sale is meager, which makes her offering an unusual one. We hope she will be appreciated.

**Calrossie Diadem, sire of Lot 10 in this sale.** He has established himself as one of the greatest sires the breed has ever known. His first seven sons sold in America averaged \$3,800 last fall. This year his get-of-sire has placed first at four major state fairs and he has sired the grand champion female at all four events.

From left are: **LODESTAR ESTELLE**, Lot 11; **LODESTAR NONPAREIL GLADYS** 4th, Lot 44; **LODESTAR ROSEBUD** 2nd, Lot 46, and **LODESTAR MARGARET** 2nd, Lot 45. These beautiful heifers, all by U K Lodestar 128, sell in this sale.

**NAPOLEON PEARL NECKLACE**—We are offering the first calves by Gallant Napoleon to demonstrate his ability as a sire. We realize that this heifer is extremely young, but she could provide some boy or girl with a top project. The dam was purchased by our son as a heifer for 4-H, was shown successfully each year, being champion in Junior Fair at the State Fair as a Senior Yearling and also first prize Senior Yearling in open class. Her first calf was shown and sold in the 1964 Buy a Calf—Show a Calf Sale for \$475, and now this is her second calf. She is truly a doll and wins the admiration of all who see her. She is lowset and thick from end to end. What a prospect for next year!

From left are: NAPOLEON PEARL NECKLACE, Lot 13, and NAPOLEON SECRET, Lot 12. These are the first two heifer calves by Gallant Napoleon. They were first and third in the junior heifer calf class, 1965 Ohio State Fair.

**LODESTAR ROSEWOOD**—This strong, rugged heifer has a lot of style and balance and has been a promising calf since birth. This family has produced some good steers for us over the years, including a champion Shorthorn at the Eastern National. She is a powerful daughter by Lodestar. We hope you'll notice the broodiness of these Lodestar daughters.

Above we see one of the many grand champions that Hoewischer Farm has exhibited over the years. This female has just been named grand champion of an Ohio State Shorthorn show. This event is one of the strongest state shows held in this country.

**Lot 30**

**Female**

**LODESTAR ROAN LADY 3191-787**

Red, W. E. Henkener

**LODESTAR ROAN LADY**—Here is a broody, big, roomy heifer by Lodestar and out of a real producing daughter of Willow Lee Wonder 17th. The dam of this heifer produced S M Wonder, a reserve All American senior yearling and is now heading Wolf Den Farm at Pierce, Neb. Another daughter of the cow now has one of our promising junior bull calves by Gallant Napoleon. This leads me to believe that the service of Gallant Napoleon March 28, 1965, could be very valuable.

**Ringwell Lodestar pictured, as he won the grand championship of the 1954 International, along with his half sister, who was also the grand champion female. Ringwell Lodestar is the sire of U K Lodestar 128.**

**Lot 31**

**S M ROSEBUD 12TH**—This even roan heifer by U K Lodestar 128 has demonstrated her ability to rustle and compete for her existence since she was the youngest of the group fed together. Her dam was a member of a former show herd and has produced members of our show herds. Prolificacy and regularity of performance are heritable features and certainly they are built in with this family. Bred March 19, 1965, to Gallant Napoleon.

**Brown-Forman Rosewood 62nd sold for \$1,750 in the 1964 Browns of Kentucky Sale. She is three-fourths sister to Brown-Forman Rosewood 65th, Lot 32.**

**Lot 32**

**Female**

**BROWN-FORMAN ROSEWOOD 65th 3190-559**

**Tattoo LE 518**

**LODESTAR CLARA 4TH**—Good cattlemen, researchers and others talk about the heritable characteristics which are important in beef production. Some they list are longevity, rate of gain, milking ability, and fertility. By these standards this heifer and her family rate very well—her dam is sound and raising a calf at 12 years of age with plenty of milk—one service usually is sufficient and they all grow and do. This heifer is sound, has good body conformation and will impress you as one of our good heifers. She has settled with one service artificially to Tutira Paragon, the reserve champion bull of 1964 Eastern National. (See more information on reference sires.)

Above we see part of the Hoewischer cow herd. Visitors are impressed with the uniformity and outstanding individuality of this group of cows. Many of the dams of the sale offering are included in the group above.
